Junior fullstack developer with lots of passion and a 5y+ experience as a project manager in GameDev. Attentive to details, aware of current benchmarks in frontend development, strong with CSS/HTML5, in love with JavaScript both for frontend (React/Redux) and backend (Node.js/Express). I'm a super-fast learner (it's true, I mean it!) and goal-oriented (years of practice as PM). Looking for a full-time job in Israel.
